Superintendent of Schools Speaks To Junior Woman's Club

Mr. Lloyd Walton, Superintendent of Appomattox County Schools, on the right, spoke to the members of the Appomattox Junior Woman's Club at their meeting on Oct. 23, 1973.

Mr. Walton, who was introduced by Mrs. Paige Nolen, Chairman of the Education Department, on the left, presented informative outlines on the school's present and future objectives on teaching, the school budget, the new kindergarten program and the new county high school. His talk was followed by a question and answer period.

Rescue Squad Tops Goal

The 1973-74 Annual Fund Drive of the Appomattox County Rescue Squad that officially began October 1st with a goal set at $12,000.00 has gone over the top!

According to a report from Mrs. Nellie Paulette Almond, Finance Chairman of the Fund Drive, donations have reached $12,352.43 at this time with some contributions likely to come in yet.

...his year the goal was set at $12,000 for the annual drive for funds and the slogan "Help The Appomattox County Rescue Squad Hit The Jackpot And Everybody Wins!" was adopted. And "Hit The Jackpot- they did!

For the first time, a door-to-door canvas was not made by the members of the squad as they felt that their time was needed in training sessions and in answering emergency calls that continue to come in even during fund drive month. With three ambulances to man, it takes several volunteers to be available and on stand-by at all times so it was decided by members of the local squad to set up spot locations throughout the county and ask the people to bring their donations by or to mail them in to the ACRS Fund Drive.

The response to this method of collecting contributions was tremendous and members of the Appomattox County Rescue Squad would like to thank each and every one for their assistance in making this 1973-74 Fund Drive a success.

If you have not made your donation to the Appomattox County Rescue Squad as yet, funds can still be used to a good advantage, and you may mail your donation to the ACRS Fund Drive, Box 57, Appomattox.

Bloodmobile Visit Set For Tuesday

When the Red Cross Bloodmobile makes its visit to Appomattox on Tuesday, November 6th, at Liberty Baptist Church from noon to 6 p.m. these faithful donors shown above will be out to donate one more pint of blood.

Shown above, seated from left to right, are Veralyn Kelso, who has donated 1 pint; Carol Martin, a 1 gallon donor; and Ida Belle Campbell, who has donated 11 pints; and on the back row, left to right, are Richard Simpson, a 12 pint donor; Abbott Coleman, a 6 pint donor; and Steve Baker, who has donated 1 gallon of his blood.

These six donors urge you to come out and join them in giving a unit of blood. The quota for Appomattox County for this visit is 148 pints (we have to make up for shortage at last visit) and we have received word that if we do not get at least 95% of this quota, Appomattox County will be put on probation. It is not fair for the same faithful few to give each visit . . . do your part and come out on Tuesday and donate a pint of your LIFESAVING blood.

Free Pepsi will be given to each donor and the United Methodist Women of Piney Ridge United Methodist Church will be in charge of the canteen for the day.

This may prove to be the most important visit yet in Appomattox County . . . don't let the good program pass us by . . . give a pint of your blood and get a friend to come out with you. Will we be put on probation? The choice is up to YOU!

In addition, the Appomattox County High School band, under the direction of Mr. Frank Coffey, will give a "brass band welcome" to the special excursion train arriving on Sunday afternoon from Roanoke. Railroad songs and sounds will be heard over the public address system and the "Cactus Joe Choo Choo" will provide its own kind of music and FREE rides for both children and adults, bringing back a touch of nostalgia to the oldsters who grew up with the steam engine locomotive. The "Cactus Joe Choo Choo" will be on Main Street in Downtown Appomattox from 11 a.m. to 5 p.m. on Saturday and from 1 p.m. to 6 p.m. on Sunday. The street will be closed to traffic during the two day festival.

The "Historic Appomattox Railroad Festival" has had lots of interest shown in it, according to Mr. Donald MacPherson, Chairman of the event. Mrs. Hazel Harvey, Chairman of the Arts and Crafts, has been in touch with craftsmen with a wide range of choices for both viewers and buyers.

Saturday will be devoted mainly to exhibits of arts and crafts and the sale of some of these items. Other than hand sketched note paper, Christmas cards, antiques, antifacts, maps, money, scenic china plates, handcrafted wooden toys and many more items,

Get Copy In To Paper Early

Due to the shortage of newsprint, the TIMES-VIRGINIAN must make a request that you bring in copy for the newspaper on Monday or by noon on Tuesday or earlier, if possible.

We want to be able to use as much copy as possible and we want to be sure that your copy get into the paper, so, if you will let us have articles, ads and so forth as soon as possible it will most likely be published in the edition that it should be in and not put in the paper a week late.

Thank you for your cooperation in this matter.

An Open Letter to the People of Appomattox County

I have retired from public office and have nothing to gain or lose personally from the present election. However, I have a deep and abiding love for Virginia and her people and feel I have an obligation to speak out and let the people of our area know the true facts about the campaign.

Next Tuesday the people of Virginia will be faced with one of the most important elections of our times when we elect a Governor to guide our destiny for four years.

I whole-heartedly support the candidacy of Mills E. Godwin as I believe he's the only qualified candidate running for this position. He is a man of good experience. He knows Virginia government and he is a man of honor, integrity and one who campaigns the same all over
